

LivingWorks SafeTALK Training

SafeTALK is a 4 hour LivingWorks workshop that teaches participants to be more alert to people thinking about suicide and better able to connect them to suicide intervention resources.

Participants will be better able to reach out to someone thinking about suicide, promptly connect them to further support, overcome personal and community attitudes that act as barriers to help and learn the powerful 4-step TALK model.

The LivingWorks SafeTALK Experience

- Trainer presentations, facilitated discussion, and skills practice
- Videos that illustrate what happens when signs of suicide are overlooked, and how you can contribute to safe outcomes when these signs are heard and addressed
- Opportunities to further explore organizational applications of the training
- A community resource person will be on hand at the workshop to support your safety and comfort.

Training Opportunity

Training session is limited to
15 participants.

Lunch will be provided.

Tuesday, February 11

10 a.m. to 3 p.m.
