

Mental Health Day Support Services

People's Place is a recovery-based Psychosocial Rehabilitation program. The program serves individuals who have serious mental illness and co-occurring mental illness-substance use disorders.

People's Place offers a range of structured activities and supports designed to help members maximize their potential. The philosophy is to offer each member a sense of importance, ownership and empowerment.

The program focuses on wellness, member strengths and potential through assessment and person-centered planning. People's Place strives to facilitate member empowerment, community integration and independent living.

All referrals are made through case management services for membership.
