

Problem Gambling 101

This presentation will provide an overview of **problem gambling**, its potential impact on individuals and communities, and the collective efforts needed to raise awareness.

Attendees will gain insight into the **warning signs** of gambling-related issues and the various support and resources available to those affected. Additionally, the presentation will showcase the initiatives undertaken by Colonial Behavioral Health to promote awareness of **problem gambling** within the Greater Williamsburg area.

Presenter: Nicholas Hessler, Health Promotion Specialist

Date: Wednesday, March 26, 2025

Time: 3 - 4 p.m.

Location: Live/Virtual via Teams Meeting

* Presentation is limited to **30** participants.
